

YOUR SUMMARY EXPLANATION OF BENEFITS (EOB)

Your Summary Explanation of Benefits, or Summary EOB, gives the status of your health claims. Your health plan produces a Summary EOB every 21 days. This EOB provides information for claims processed for all individuals under your member ID during the 21-day period. If there are no claims, you won't receive a Summary EOB for that period.

Your Summary EOB gives you all the information you need concerning your health claims — and we've made it easy to read and understand. The summary section outlines the costs your health plan has covered and the amounts you owe specific providers. It also provides information on other payments made to providers on your behalf (through another health plan, insurance company or Medicare, if applicable). And we've included definitions of some terms and an explanation of your appeal rights.

The claim(s) detail section provides more information about each claim, such as charges, allowed amounts and coinsurance. It also explains where you stand on deductible and out-of-pocket amounts.

This brochure will walk you through a typical Summary EOB line-by-line to make understanding your benefits easier. Keep it with your family's medical documents for quick reference anytime.

We hope you find the Summary EOB helpful and a convenient way to organize information regarding your medical bills.
